Initial Application

Date Received: _____

Email this completed form along with additional documents/images to putnamartscouncil@gmail.com. Subject of the email should be "Putnam Exhibit Application." We recommend programming this address into your e-mail contact list so it does not bounce to spam/junk mail folders. You may also mail the application to Laura Moorehead, 101 Aldrich Road, Putnam, CT 06260. If you are requesting to be part of a multi-artist show each artist must complete this form and send it along with the appropriate documents. Please note that Putnam and local applicants will be given a priority.

The gallery shows rotate four times a year. There is no hanging fee or commission however you will be responsible for hanging your artwork. A Putnam Arts Council member will be present at the time of hanging to answer questions and provide guidance. Please note that the gallery is an 80-foot long hallway so you will need enough artwork to fill the space and make your artwork, as well as the gallery, look presentable. There is a maximum of 30 pieces.
